

# Information and Support Information and Referral

**Paraquad partners with people with disabilities to build their best lives. We are a hub of resources and knowledge serving all disabilities and ages, from children to seniors.**

Many people with disabilities are unaware of the resources available to them. Paraquad's knowledgeable Information and Referral staff take the time to understand each person's needs – from applying for Medicaid to receiving assistance for home modifications - working in partnership to align the appropriate Paraquad services and community resources.

We answer thousands of inquiries annually, and are dedicated to assisting participants in navigating their options and finding the right resources for them.

For more information, call (314) 289-4200 Monday through Friday from 8 am to 5 pm or email [contactus@paraquad.org](mailto:contactus@paraquad.org)
